

what is the preferred genre?

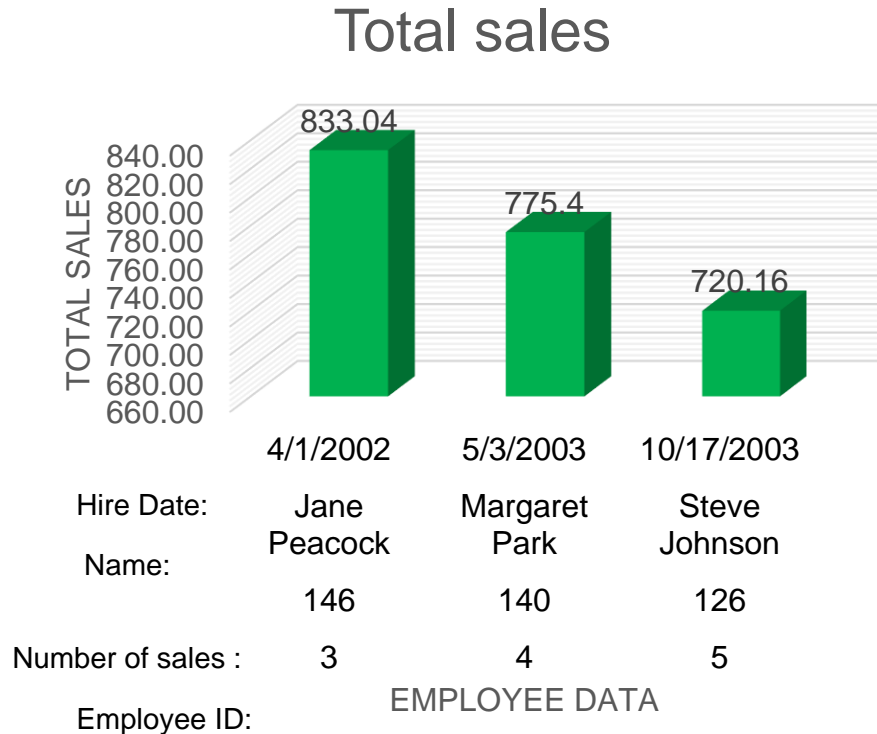

As it appear the Rock has the highest selling rates so to improve our sales we need to search for more songs regarding The Rock style also Latin and metal appear to be good for people to listen

what is The most sold song?

This is the list of the popular songs ,The most popular one is the trooper people love listening to it

who is the best employee and what factors could affect his performance?

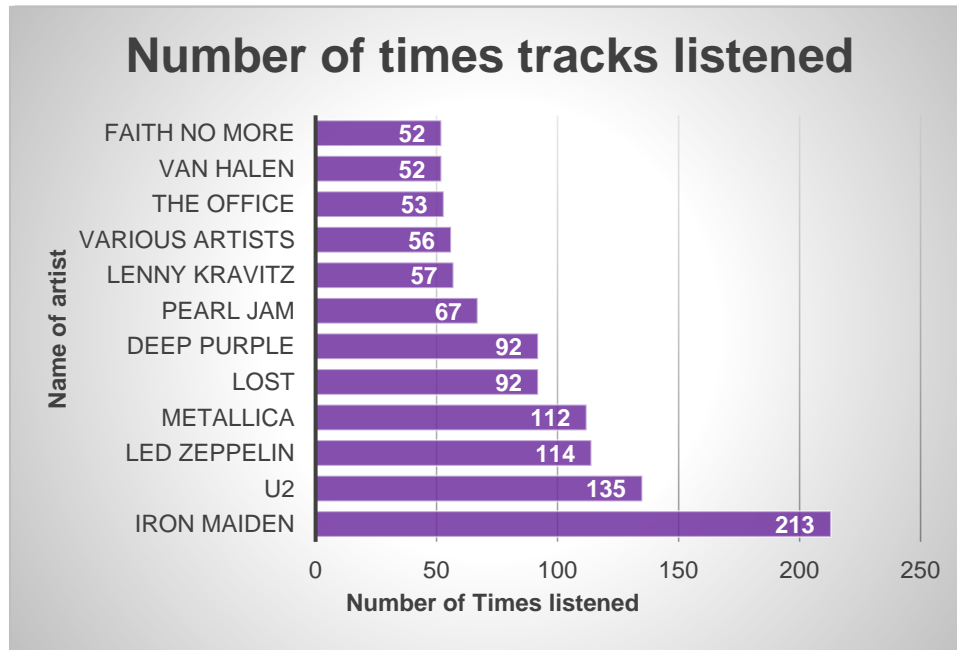

As we can see The Total sales of employees that Employee Number 3 has the best sales with 146 sales worth 833 followed by employee number 4 then employee number 5

I think one-factor affecting sales that employee number 3 has been recruited earlier so he has higher experience for the need of customers and focuses on important ones

we can improve their sales by offering Rewards for employees that would motivate sales and find new customers

Also As shown in queries USA and Canada are a good places for investment that the employees can focus in it to increase their sales
